Report Placement cell

placement cell of our **Shri Sant Gajanan Mahavidyalaya, Kharda** is one of the active cell which aims at the welfare of the students of our college. Ours college being the 'Arts Faculty' college which in a sense doesn't provide job oriented programs to the students who are seeking degree from our college which is affiliated to SPPU, Pune. Knowing the fact our institution and particularly placement Cell in collaboration with Competitive exam Cell motivate our students to prepare for different competitive examination so our students would get placed.

Ours college being situated in a drought prone rural area such as Kharda, where students are desperate for job, we provide them the job opportunities by inviting the different companies from Pune and its surrounding MIDC companies. We organise 'Job Recruitment Camp' in our college at least once in a year.

We have arranged Job Recruitment Camp in our college in the academic year 2017-18 dated on 5th April 2018, for the placement of our student on non-technical posts. We invited 'BSA Training Academy Pvt Ltd', a reputed company in Pune. Accordingly many TYBA and Alumni from our college were applied, and present students for interview have been interviewed by the interview panel of the company.

Thank You !
